County Boosters In Meet Here Monday

ADVERTISING PLAN WILL BE ADVANCED BY CLUB LEADERS

Tour of Upland Planned Prior To Meeting Here of Desert-Mountain-Valley Club

BOOKLET WILL BE ISSUED

Importance of Scenic Attractions Here Stressed—To Draw Tourists

Upland will be host to the county boosters Monday. April meeting of the Desert-Mountain-Valley club will be held in the Upland Inn at 6:30 p. m.

Members of the club are expected to be here late in the afternoon and make a tour of this beautiful community. E. Tweed Stone, chairman of the Businessmen's division of the chamber of commerce, and a director of the club, will welcome the visitors.

Principal project of the club is the publication of an advertising booklet and it is expected that Upland will be represented. The booklet will be in line with the All-Year club advertising and is expected to center attention of many tourists on the county and on Upland.

Another purpose of the club is to emphasize to the residents of each community the scenic attractions in each community. Earl W. Van Houten, secretary of the club, recently pointed out that one of the most beautiful sights in the southland can be viewed by persons driving north on Euclid avenue, to San Antonio Heights, to Camp Baldy and return south on Mountain avenue.

The club has been recently formed. Twenty-five thousand copies of an attractively illustrated booklet will be printed by the club.

Mary Brainard Tent In Regular Session On Thursday Night

Two interesting invitations were received by Mary Brainard tent, Daughters of Union Veterans, when they met in regular session last evening in the Legion club house, Mrs. Sadie Benner, president, presiding.

Sarah Burch Lincoln tent of Riverside is giving a luncheon and old fashion dance on April 19, and the local tent is invited.

A luncheon and flower shower in honor of Mrs. Margraet French, department president, will be held at Lucca's, Western avenue, Los Angeles, on April 12.

Announcement also was made of the Federation meeting to be held in Patriotic hall in Los Angeles on April 30, and the tent discussed plans for attending the annual state convention in Modesto on May 5 to 10, with several members planning to go.

One candidate, Mrs. Julia Cutler, was initiated into membership in the tent.

Reports showed 25 bouquets had been given and 29 calls made on the sick and shut-ins during the month.

The next social meeting will be held on April 25 at the home of Mrs. C. D. Daniels on West street. The members will meet in the afternoon for quilting and Mrs. Daniels will serve dinner at 6:30.

Anyone who cannot attend in the afternoon is urged to come to the dinner in the evening.

Open House Held at Sierra Vista School

Public school week was observed in interesting manner by the teachers and pupils of the Sierra Vista school, of which V. B. Anderson is principal.

Throughout the week open house was held and exhibits were made of the various kinds of work being done by the pupils.

A program was given Thursday when the pupils, in costume, appeared in pantomimes and drills and presented songs and dances and various other numbers.

Bank Clearings in Upland Far Ahead Of Total Year Ago

Another indication of increased financial activity here is seen in the bank clearings for Upland now as compared with this time last year. Total of Upland's clearings was but a few thousand dollars less than the Ontario clearings for last week.

During the week ending Saturday the Upland clearings were $601,492.85 as compared with $458,706.68 for the corresponding week of a year ago. Ontario bank clearings last week were $646,131 and for the corresponding period of 1934 the clearings were $425,-347.36.

Legion Post Social Evening Is Planned

A social evening on Monday for every ex-service man in the Upland district has been planned. All former soldiers whether they are members of the Legion or not are invited.

A good program has been planned, starting at 7 o'clock, with refreshments to be served at 10 o'clock.

PLAN FOR EASTER SUNRISE SERVICE

Dr. R. C. Stone To Speak at Annual Service Near Camp Baldy

Annual Easter sunrise service will be held at Inspiration Point, a short distance above Camp Baldy, according to plans being made by the young people's committee in charge.

Dr. R. C. Stone, pastor of the Upland Presbyterian church, will be the speaker.

The committee arranging for the service is composed of a representative from the young people's department in each church in Upland and Ontario and residents of these two communities and adjoining districts will unite for the service on Easter morning.

The sun's rays reach the mountain canyon much later than they do points in the valley and the service will begin approximately at 7 o'clock.

Details of the plans for the service and the program will be announced later.

Nancy Byer Fund Is To Become Memorial For Beulah College

A Nancy Byer memorial fund is being established to memorialize the two-story, 12 room dormitory on the new Beulah college campus, it is announced by H. G. Brubaker, president of the college.

R. A. Franklin and Ben Byer, grandsons of the late Mrs. Nancy Byer, have been named by the college as sponsors of the memorial fund.

Mr. Franklin expects to tour in the interest of the fund through the middle west and east and in Ontario, Canada. Arrangements are being made for him to leave on May 14.

The building fund, which "Grandma" Byer, as she was known by Beulah college students, started a few years before her death, is the nucleus for the memorial fund.

OPEN MINDEDNESS OF NATION SECRET OF PROGRESS, VIEW

Dr. Warmer Tells Chaffey Audience of Need of Vision In World Today

LECTURE SERIES ENDS

Menace of Closed Mind Pointed Out as Speaker Urges Broad Study

With an open mind America and its people will progress.

That was the theme of Dr. George A. Warmer, pastor of the Santa Ana Methodist church, in the Chaffey junior college auditorium. His address was the last of the "Foundations of Culture" series and his declarations fittingly summed up many of the points presented in previous addresses.

"Menace of the Closed Mind" was his topic and in several direct statements he strongly pointed out the fate of a nation if the minds are closed. Gardiner W. Spring, president of Chaffey junior college, opened the evening's program. Also participating in the program were Arthur I. Peterson of the Ontario Rotary club and Orton P. Brady of the Upland Rotory club. No forum followed the lecture as has been the case in other lectures in the series.

"The normal mind is an inquisitive one," Dr. Warmer declared. "It knows no inhibitions. If the mind is not inquisitive as it should be, one's emotions will drive him always in a circle."

He pointed out that one is inclined to build barriers around his mind and "the closed mind is the harbinger of prejudice. A closed mind lives under pressure, always resisting everything."

The speaker, who is a brother of Superior Judge Benjamin Warmer, said that prejudice caused the Civil war and that an assassin's prejudice caused Lincoln's death. As another example of the closed mind, he pointed out that religious leaders and nearly everyone denounced Charles Darwin without knowing a thing about his teachings.

"When we can separate the good from the bad and open our minds to new things we will evolve rather than revolve," he declared.

Among other declarations he said:

"We cannot get out of the present difficulties until we learn to ask whether a thing is right rather than legal."

"On the basis of the utilized genius of all the races we shall build a creditable civilization."

"You live in a rationalized world rather than a real world if you have a closed mind."

"We can take our world as it is and make it what it ought to be if we live in open spaces and catch visions of tomorrow."

Jaysee Students Go To U. S. C. Tomorrow For Newspaper Day

Four Chaffey junior college students and Miss Mabel A. Stanford, journalism instructor, will be at the University of Southern California tomorrow attending the thirteenth annual newspaper day. Representatives of many southland junior colleges and high schools and of many newspapers will be in attendance.

Going from Chaffey will be Fred and Paul Lady, formerly of Upland, Helmie Moilanen and Robert Forbes.

Jack Frankish, formerly of Chaffey high school, now editor of Daily Trojan, U. S. C. student newspaper, will preside during the opening activities. During the afternoon, publishers of weekly and daily newspapers will hold conferences.

20-30 Club Projects Discussed at Meeting

Possible projects that may be launched by the Upland 20 - 30 club were discussed at the meeting of the group in the Upland Inn Tuesday night. Within two weeks decision is expected on one project toward which the club will direct its efforts.

General club business matters were also discussed at the meeting of the group, with President Ray Hobbs in charge.

Lemon Heights Water Co. Pays $30,000 Bond Issue Four Years Before It Is Due; Out of Debt

In 1924—just 11 years ago—the Lemon Heights Water company was the owner of three fine wells and had an obligation of $44,500, of which $30,000 was represented by a bond issue payable in 15 years, together with interest at seven per cent.

At the present time this water company is the owner of not only the three fine wells but also 500 shares of stock in the West End Consolidated Water company, which stock represents 100 inches of water. Through the excellent cooperation of its stockholders—citrus fruit growers in this community—Lemon Heights Water company now announces the payment of its indebtedness, including the $30,-000 bond issue, which has been paid in full four years before its maturity date.

Reckless Motorist Will Go To Judge's School For Month To Learn Rights of Other People

Education of reckless motorists as to the rights of other people on the highways will be offered a local traffic violator every Saturday for the next four weeks.

Judge D. J. Burlingame will turn instructor for this period and Lewis F. Goins, West street, will be the student.

Goins was found guilty by Judge Burlingame yesterday on a charge of reckless driving. This was his second offense. Judge Burlingame fined Goins $25 and then suspended it for six months, took away his driver's license for 30 days and ordered him to report in the court room at noon every Saturday.

"I don't believe he realized what it means to drive recklessly," Judge Burlingame commented today. "By having him come in I hope to be able to impress upon him that other people have rights on the highway and of the necessity to drive carefully."

Mr. Goins was arrested last week after his automobile had crashed into a curbing.

CITY COMPLETES ANNEXATION PLAN

Council Adopts Ordinance—Notice of Action To Be Filed in Sacramento

When the official notice of the annexation proceedings is filed with state officials at Sacramento, the Upland city limits will be extended to 660 feet south of Seventh street, as the result of Upland city council action yesterday.

The councilmen passed the ordinance accepting the district as part of Upland. In the anexation election of March 21, voters in the area concerned favored joining Upland. The city council's action officially completes the local details. Filing of the notice in Sacramento will make the territory an official part of Upland.

The new part of Upland extends to the new southern limits and from Benson avenue to Grove avenue.

The city council rejected the bids submitted on shade trees. The city will go on the "open market" and buy trees from various dealers, or wherever they can get the best deal, it was explained.

Tax Delinquency Is Estimated as Final Payment Date Nears

Amount of delinquent tax money in the county will be about the same this year as last year, it was estimated today by John W. Batchelor, county tax collector, as the final day for payment before the delinquency date approaches. Noon Saturday, April 20, is the final time for paying tax money to avoid a penalty.

Due at present is approximately $1,193,791.60, Mr. Batchelor said. Collected so far are $1,-932,416.75 on the 1934 tax bills. At the same time last year a total of $1,811,583 had been collected.

Mr. Batchelor estimated that during the next week approximately $750,000 will be collected.

Gardens in Contest Will Be Inspected Regularly by Club

With 71 vegetable gardens being in the Lions club-sponsored garden contest, arrangements have been made for the entries to be inspected.

Howard Mason, chairman of the club's school committee, has divided members of the club into committees, each committee to closely inspect six gardens. On May 9 each committee will select the best garden among the six. A judging committee will make the final selection.

Cash prizes have been offered by the club to the winners. The Boys league of the junior high school is cooperating in directing the contest.

RED CROSS BOARD MEETING IS HELD

Etiwanda District May Unite With Upland Chapter Following Vote

Several questions of interest to local Red Cross members were given consideration at the meeting of the board of Upland chapter, American Red Cross, held Thursday morning in the Upland public library, with Mrs. Mary Eckerman, chairman, presiding.

It was decided to sponsor a Red Cross swimming test for certificates if the necessary arrangements can be made.

To make a more equitable division of the territory now served by the San Bernardino chapter, it has been suggested that the Upland chapter include the Etiwanda district, now belonging to San Bernardino, and the board voted to accept the Etiwanda district. This action is subject to the approval of the Pacific Area headquarters.

Mrs. R. S. Hayslip was named chairman of the home hygiene committee to work with Mrs. Frances Garner, who will conduct a class in home hygiene. Others on the committee are Mrs. Lottie Fuller and Miss Clara Lou Nisbet.

Announcement was made of the Red Cross Workers institute to be held in Corona on April 22 to 26 and Mrs. Eckerman signified her intention to attend. Other members may attend, also.

The board meeting was attended by Mrs. Mary Eckerman, Mrs. Harry Flowers, Mrs. Bess K. Grisham, Mrs. Lottie Fuller, Mrs. Ralph S. Hayslip, Miss Clara Lou Nisbet, Mrs. Frank C. Buffington, Mrs. F. H. Manker, Mrs. Sam L. Lamb and H. M. Guy.

Large Crowd Hears Crew of Good Ship Grace in Program

The program of old-fashion music presented by First Mate Bob and his crew of the Good Ship Grace was enthusiastically received last night when they appeared in the Beulah college auditorium on a program arranged by the Thalonian Literary society of Beulah college, 700 persons gathering to hear the radio artists.

Richard Fraseur, the crew's first missionary to China, accompanied the crew and spoke for 15 minutes on his missionary work. He is planning to return to China in the near future.

Children Will Hear Stories at Library

Children of the community will gather at 2 o'clock tomorrow afternoon in the Sarah Temple junior library for the story hour, it is announced by Miss Uarda Hill, member of the library staff.

Miss Hill will tell the stories, and she urges that the children be present promptly at 2 o'clock.

575 CINDER STARS IN EFFORT TO SET MARKS TOMORROW

More Schools Than Ever Are Entered in Tenth Invitational Meet

FINALS BEGIN AT 1 P. M.

60 Officials to Direct Biggest Chaffey Contest on Graber Field

With more schools entered for tomorrow than ever in any other of the nine Chaffey invitational track meets, with 60 officials prepared to direct a fast contest, Chaffey today awaits the start of the annual track tests.

Thirty-one schools will have teams in the novice and varsity meets, with 575 individual entries having been made. Raising of the American flag and the flight of pigeons will mark the opening of the finals at 1 p. m. tomorrow. The preliminaries will get under way at 9:30.

A new pavilion for scorers and for officials' headquarters has been erected at the finish line, this being an improvement over former meets. The list of 60 officials includes many prominent scholastic and athletic leaders, they giving of their time for the meet's success.

The many details in connection with the meet have been directed by Principal Ernest W. Fischer.

Coach W. H. Kegley will enter a very strong list of Chaffey aspirants. Dope indicates a close contest.

Odd Fellows Plan For Home-Coming Early Next Month

Annual home coming is to be held by the Upland Odd Fellows lodge early in May, it was decided during the regular lodge meeting held in the I. O. O. F. hall Tuesday evening.

Walter Fies, noble grand, presided during the meeting and appointed John Swoap, Homer Washburn and Louis Kronmeyer as a committee to make arrangements for a special home-coming celebration, in which the Rebekahs are to join.

Approximately 24 members of the local lodge went to Redlands on a recent evening accompanying three candidates who, with a large class from several other lodges, were initiated into membership.. Present and past grand officers were guests at the meeting and an enthusiastic session was held.

Hugh Lamphear and O. P. Brady have been elected delegates from Euclid lodge to the Grand Lodge meeting in San Francisco during the week of May 12. They expect to leave on Saturday, May 11, and return the following Saturday.

Schools Close for Easter; Principals Off to Convention

Annual Easter vacation for all schools in the Chaffey district will begin with the close of school tonight and will continue until the reconvening of school on Monday, April 22.

Leaving Sunday, Ernest W. Fischer, principal of Chaffey high school, and Harold W. Cook, principal of Upland junior high school, both residents of Upland, will go to San Francisco to attend the state convention of the Association of Secondary School Principals to be held in Fairmont hotel.

Other teachers in the Chaffey system and many of the students are planning to spend the vacation in making pleasure trips and in various other ways.

Etiwanda Resident Victim of Stroke

Everett Edgar Clark died at 3 o'clock this morning at his ranch home on North Etiwanda avenue, Etiwanda, as the result of a stroke suffered 10 days ago.

Mr. Clark was born in Bangor, Maine, and came to Etiwanda from Chicago 30 years ago and became a well known rancher in that district. He is survived by his wife.

Funeral service will be held on Monday at 2 p. m., at Stone's chapel, with the Rev. W. I. Newman pastor of the Etiwanda church, officiating. Interment will take place in Bellevue cemetery.

Big Future For City Is Seen In Airport

It Takes Lot to Get "Jedd" Down—He Will Be About Soon

It takes a lot to get J. F. Sawyer down.

Bedfast for two weeks, the veteran chief of police hopes to be up soon. The doctor says he is better. His devoted wife knows he is better. But at 1:30 o'clock this afternoon Jedd said:

He was so tired of lying in bed he couldn't find any "easy" place on the soft mattress. He had no appetite. (Fried chicken was served to him at noon).

He didn't enjoy smoking. So he hoped soon to overcome a three-way attack. A severe case of influenza, commonly known as the "flu", forced him to bed. Bronchitis developed and the complications made his heart a trifle jittery.

The bedroom in his home, 442 Euclid avenue, isn't large enough to accommodate the many floral expressions from friends, organizations and his fellow city officials. Few persons in the Upland district are as widely knowno as Mr. Sawyer, who has been in this community for many years.

He sat up for the first time since his illness yesterday.

HENRY G. ECKSTEIN CALLED BY DEATH

Nationally Known Manufacturer and Resident of Upland Dies Thursday

As the result of a heart attack suffered about a week ago, Henry G. Eckstein, nationally known manufacturer and for many years a winter resident of Upland, died at 12:10 p. m. Thursday at the San Antonio Community hospital, where he had been in the care of physicians for several days.

Mr. Eckstein was president of the Crackerjack Co. of Chicago, having been connected with that concern since 1899, and was known in financial circles throughout the country. For the past 20 or more years he had spent his winters in Upland and found much pleasure in his home on Euclid avenue. However, he retained his citizenship in Chicago and spent much of his time there in connection with his business interests.

A native of Chicago, Mr. Eckstein was 75 years old. He began his business career at the age of 12 years and throughout his life he remained actively in charge of his affairs and attended to business matters in Chicago as late as last summer.

Prior to becoming interested in the Crackerjack company, Mr. Eckstein was affiliated with the N. K. Fairbank Co. of Chicago and it was during his connection with that concern that he invented a valuable process for deoderizing cottonseed oil. Former partners of his were Louis and F. F. Rueckheim.

Mr. Eckstein enjoyed his work and found exhilaration in his business contacts, but he gained a greater pleasure from his association with his fellowmen and many will have occasion to recall his kindly interest and friendliness, characteristics that won him many personal friends during his residence in Upland.

Surviving him are his wife and two daughters, Mrs. Myrtle E. Baldwin of Montecito and Mrs. Lillian B. Lampert of Chicago, and a son, Henry G. Eckstein of Chicago, all of whom were with him in his last illness. There also are several grandchildren.

funeral to kum

Funeral service will be held on Monday afternoon at 3 o'clock at the Eckstein home, 1936 Euclid avenue. Arrangements are being made by J. B. Draper & Co.

Program Is Given By German Class

A German program was presented Thursday morning during the Beulah college chapel period by Mrs. H. G. Brubaker's class in German. The Lord's Prayer and a special reading were given in the German language, as were a vocal solo and four musical numbers by a German chorus.

CLIMATE AND SITE GIVE UPLAND MANY ADVANTAGES, VIEW

Manufacturing of Planes Seen As Possibility If Field Is Provided

CHAFFEY HEADS HOPEFUL

Civic Leaders Here Urged by Gardiner Spring to Act Immediately

If this city's proposed airport is realized a great future is ahead for Upland.

That's the assertion today of President Gardiner W. Spring of Chaffey junior college, and of Charles H. Turner, head of Chaffey's aeronautics department.

"In a year or so airplanes will be sold at a price in reach of thousands of persons," Mr. Turner said. "People formerly said, 'why build roads when there are no autos?' Aviation is now at that stage but people should not question 'why build an airport?'"

Mr. Spring sees in Upland's location and climatic conditions an ideal site for not only an airport but for airplane manufacturers.

"With the March Field aviation center not far away, with the transcontinental route going directly over Upland, and as the city is out of the 'fog belt', there are many reasons why Upland is an ideal location," Mr. Spring said. "If the Upland civic leaders don't act now they will in a few years look back and see that they failed to grasp a wonderful opportunity."

Chaffey's aeronautics department is recognized as the finest of its kind in the west. State officials were on the campus yesterday and immediately made plans for a conference to show to other schools what is being done.

The city council is in negotiations with the San Antonio Water Co. for an airport site north of Sixteenth street about one-half mile east of Euclid avenue. If the city gets title to the land the SERA will clear the site and put it in condition for airplane landings and take-offs.

Chaffey's aviation classes would use the Upland field as a laboratory. Planes repaired and re-conditioned at the classes would be assembled and tested on the field.

A huge transcontinental transport plane, owned by W. W. Hodkinson, operating in Central America, is being repaired by the Chaffey department. Other airplane companies will also send their planes to Chaffey for repairing.

These facts were pointed out as possibilities for a start of the aviation industry in Upland. Contacts being made constantly by the Chaffey department would increase the possibilities for a field here.

Pomona college students and aviation enthusiasts in the Pomona valley also favor an Upland field, it is pointed out.

Other cities in the district have airports but for climatic and other reasons none offers the attractions of an Upland field, the Chaffey leaders declared.

On the Chaffey campus this week were J. C. Beswich, chief of the state bureau of vocational education, and Archie Cloud, new president of the San Francisco Junior college. As the result of their visit, Mr. Beswick made arangements to call a conference of aeronautics to advise other school leaders of Chaffey's advancement.

Hospital Auxiliary Meeting To Be Held On Monday, April 22

The April meeting of the Woman's Auxiliary of the San Antonio Community hospital will be held Monday afternoon, it is announced by those in charge of arrangements.

A business session will be held in the hospital library, beginning at 3 p. m. and a large attendance of the membership is desired.

That "Share Wealth" Movement

It may be that conservatives who have an idea the "Share-the-Wealth" movement is merely a temporary example of economic insanity are going to miss their guess. Huey Long, father of the movement, has dramatized an issue which is almost as old as time itself—and Huey is no slouch when it comes to dramatics. His theory of the trouble with the country is that a small group of people have too much money and that they are gradually starving the rest of us.

In opposition to Senator "Hooey" Long, economists of all schools bring forth charts, graphs and statistics that dispute his figures and prove he is entirely wrong. However, it is probable that not one American in a thousand ever sees the work of the economists—but the "share-the-wealth" advocates are masters at reaching the multitude. Not only this, but they also have the advantage of the fact that some 10,000,000 people are unemployed and 20-odd million are on relief. Many of these are desperate, worried and disgusted with matters as they are at the present. A great many of them are likely to turn to anyone who will promise them a better day. During times such as these through which we are passing too many are susceptible to gullible promises that may sound well but would never work out as represented.

We do not mean to say that "Share-the-Wealth" is going to take the country by storm, but it will probably be a powerful political force for some time to come. If the third party movement comes to fruition—and there seems considerable likelihood that it will—there will probably be some fireworks in 1936 and it is not at all unlikely "Share-the-Wealth" will be the party slogan. It is sure to be if "Hooey" maneuvers things the way he plans.

Our Scenery Too

The fight to secure change in the proposed route of the Los Angeles Bureau of Light and Power from the foothills of this district and farther west continues unabated and it is hoped and expected satisfactory results will be secured. That the matter is regarded of extreme importance to other districts than that through which it is proposed to run the line is evidenced by the following from the Pasadena Post:

"Scenic beauty is one of the greatest assets of the entire foothill region, stretching east from Pasadena along the upper slope of San Gabriel valley. The future of that region is a future of beautiful homes, orange and lemon groves and gardens.

"Through the choicest of this region, the Los Angeles Bureau of Light and Power purposes building the transmission line which will bring high-voltage electric current from Hoover dam. It will clear a wide strip, partly through improved property and partly through prospective high-class residential property. On this strip it will erect the tallest and heaviest steel towers ever used to carry transmission lines.

"Pasadena is concerned in this question. While we have no control whatever over the transmission line, we are among the customers to be served by that line. We also have a distinct community interest with our neighbors along the foothill belt. From Pasadena to Claremont will eventually lie an unbroken, or scarcely broken, residential area. The transmission line will mar that area and retard its development.

"Pasadena would not be exceeding the duties of a good neighbor if it should point out these facts to the city of Los Angeles."

The suggestion that a portion of federal relief expenditures be spent for railroad grade crossing elimination is meeting with considerable support. Among the reasons given for endorsement of the plan is that it would provide a tremendous number of jobs at the scene of operations as well as in industries supplying steel, cement, paint and other necessary supplies. It is also pointed out that money spent for grade crossing elimination would not only provide relief to thousands of unemployed, but would give the taxpayer, who is footing the bill, something in return. Relatively few grade crossings in the country are now protected. Most of them lack warning signals and the result is that thousands of lives are lost each year in accidents at such points. The states and the railroads, who have heretofore paid the cost of this work, are not able to complete such a nation-wide project at this time—and there are worse enterprises for which federal relief appropriations could be spent.

Statement by the Bureau of Internal Revenue, based on telegraphic reports, show that the amount of income taxes collected in March by each of the 64 collectors of internal revenue in the United States is nearly 40 per cent greater than for the same month last year, the amount for March this year being $321,726,348.39 as compared to $230,348,089.83 in 1934. Increases were shown in every collection district except Hawaii. Thirty of the districts showed a gain in collections of more than 50 per cent, while a number ran well over 70 per cent gain. This is certainly encouraging and is evidence that business was better last year than in 1933. However, it is undoubtedly true that a considerable of this increase in business came because of the enormous expenditures by the government for relief purposes.

Democratic leaders claim to be very sure of success in the presidential campaign next year. Well, why shouldn't they be somewhat confident—with an appropriation of nearly five billion dollars, the largest sum ever appropriated by any government—at their disposal. Then when you consider they have a skilled politician like Jim Farley to handle the fund it really looks as though their chances might be pretty good. However, a great many people have been known to change their attitude toward political parties within a few months—and the latest instance of that kind in California is still fresh in the people's minds.

"Among things we didn't know before is a bit of information supplied by a young naval officer, namely, that Hearst provides a radio wire service for ships at sea, and on each naval vessel a daily bulletin dessiminates Hearst news to all the men and officers," says the Beverly Hills Citizen, and continues: "Trust Hearst to have such a 'tie-up' with the navy. It furnishes the ideal reading public for his jingoism. The sailors get his ideas regarding national defense, naval appropriations, and foreign news, or they get none at all."

"It is the custom to laugh at the bathing suits worn thirty years ago," says the LaHabra Star, and then truthfully adds, "but if the present trend keeps up, in thirty years more there won't be any bathing suits to laugh at." As we see it—what is left now could scarcely be called suits.

Other Editors' Ideas

Cure for Egotism

Covina Argus: If we become tense with the problem of production and consumption; what to do (if anything) about Huey Long; or that daughter is receiving too much attention from a boy we don't like, go out and look up at the stars.

Edwin Powell Hubble of Mt. Wilson observatory believes that there are a billion worlds liks ours; peopled and busy; harassed by the problems of making a living; loving and being loved; thinking, perhaps, that they are alone God's chosen people.

Mark Twain told of the important small-town banker who died and appeared in heaven, demanding an interview with St. Peter. He didn't find this august personage because he was confronted by miles of clerks behind wire wickets, scribbling busily as applicants for admission filed by. He finally worked his way up to a window.

"Name?" inquired the clerk.

"John J. Jones from Hannibal?"

"Hannibal, where?" asked the clerk.

"John J. Jones of Hannibal, Missouri," replied the banker, a little nettled.

"Missouri, where?" asked the clerk, impatiently. The banker squared his shoulders and prepared to give the clerk a needed lesson.

"My name is John J. Jones of Hannibal, Missouri, United States of America of the world," he recited, pompously. The clerk was much exasperated.

"What world—what world?" he shouted.

Glorifying Crime

San Marino Tribune: In no other country on earth is crime publicized and glorified as in the United States of America.

Here we convert trials of the perpetrators of major crimes into circuses, while photographing the prisoners in various poses, showing every motion, together with counsel, the court attaches and witnesses, drawing out the performance to undue lengths, while the omniverous, carnivorous and pestiverous press—God pity the mark—roll the sensational details under their tongues, and parade them on their front pages, as delectable morsels.

We even search out and publish the baby pictures of the reprobate, together with those of his own family, thus inviting the sympathy of the sob-citizens.

If these trials were stripped of useless formalities and endless details, and the evidence confined to essential facts, and the gallery play eliminated, equal and exact justice, or as near it as may be accomplished, would be more nearly meted out than under the present display of showmanship.

Power—The Political Football

Westminster Gazette: We see by the papers where the state legislature is again playing with the power issue—fooling with the idea of the state taking over the privately owned power companies.

We can't understand why power should be picked as a political football. The power bill is probably the smallest we pay for one of life's essentials. The problem of cheap gasoline seems to us to be of more importance. Why don't the politicians advocate the taking over of such corporations as the Standard Oil Co., the Shell Oil Co., and other concerns in order that we might have gasoline at 5 cents per gallon?

And they why not government ownership of grocery stores so that cans may be purchased at 5c each?

Of course we advocate none of these things. Records prove that public ownership does little for the citizen but raise his tax rate and provide easy chair jobs for the political bosses.

Walkathon Is Degrading

Placentia Courier: The most degrading type of public spectacle, made even more repulsive by open drinking on the part of boys and girls of high school age, is the walkathon now being staged on Highway 101, between Anaheim and Santa Ana. Praise to the supervisors, who have passed a law to abolish such affairs. It is unfortunate the law is not effective for 30 days.

Young girls, prancing around on a small platform twice the size of a boxing ring, all hours of the day and night, to the accompaniment of a tin panny orchestra, a glib-mouthed master of ceremonies and in the circus seats a group of youngsters making wisecracks. It is a nauseating exhibition in a great many ways and should be abolished.

Familiarity

Hemet News: At some time in a child's life there develops an idea that eternal bliss must be to live in a candy shop. Now and then a boy or girl grows up to have a candy shop and finds, when the goal is attained, that it isn't eternal bliss at all but just another business.

A piece in the paper the other day about George Wilcox, Council Bluffs, Iowa, florist, and his roses with stems 12 feet long may help to explain the disillusionment which follows familiarity. He lives in an atmosphere of perpetual fragrance. What could be more satisfying? But note how it turns out:

"The roses in the shipping room smell heavenly. Wilcox, though, can't smell them at all; he's too used to them."

The Solano club was entertained Wednesday at the home of Mrs. Oscar Gaither in San Antonio Canyon. A turkey dinner was served in celebration of the birthday anniversaries of Mrs. H. D. Blakeslee and Mrs. L. E. Moser.

Mr. and Mrs. Whaley have returned from their war service in Italy and are located on the Cherbak ranch in Alta Loma. Mrs. Whaley, formerly Helen Cherbak, was a Red Cross nurse stationed in Italy during the war and it was there that she and Mr. Whaley met.

A heavy frost was reported in the Alta Loma section Wednesday night, but no damage was done to fruit or gardens.

Letters to The News

Speaks His Mind

It's about time President Roosevelt is limbering up his big stick—if he has one—and begins to belabor Huey Long, Father Coughlin and Hugh Johnson. The very idea of such language being used by these men is a disgrace to the country. Would such goings-on be allowed in any other country? I think not. Some say this is a country of free speech and press, but of what benefit are the people at large getting out of it, I would like to know. Of course there are people who like to hear those three men mentioned abuse each other and it makes copy for the newspapers, but does it help the country? You will agree with me that instead of helping it puts mistrust in the minds of many people. You know when Floyd Gibbons got too rank on the air they shut him off. Do you think that the President enjoys what he reads or hears over the radio when these men call each other everything but horse thieves? And some of the names they call each other sound worse than horse thief.

Can Roosevelt ever make his policies a success while these three men, one of whom was his trusted right hand man on the N. R. A., poison the public mind? When Hoover was President it was almost the same thing—you heard men say Hoover has stolen $1,000,000 in gold from the treasury and is on his way to England. The men who made that statement were ignoramuses of the first water. I have often wondered what Teddy Roosevelt would say if he were President under the present conditions. Say what you please, there was an American. Coughlin, Long and Johnson—the Three Musketeers—know all and still haven't a remedy to help the country; they only think they have. I believe Roosevelt should have the power of Hitler and in some cases of some men who have attacked the government the way they have, without cause, it might help to let the executioner do his part.—W. F. Kienzle.

GIRLS IN MOTHERS PROGRAM TONIGHT

Junior High Group Will Present Varied Entertainment for Public

Many Upland Junior high school girls will participate in a mother-daughter program in the school auditorium tonight. The Girls league, under the sponsorship of Miss Margaret Crosby, is in charge, with all women in the community invited to attend. Mothers of the school girls and others are invited.

Dorothy Benson will welcome the visitors and present the various entertainment features. Peggy Grahame will lead in community singing. Donna Murkins will give a toast to the mothers and Mrs. James E. Goodban will respond. Miss Crosby will greet the visitors, with a play, "Spectatoritis" to follow. The play, calling for a series of acts, was written by Miss Crosby. The play features follow: Piano solo by Marie Anderson; cooking demonstration by Marilyn Schowalter; dance by Janice and Gloria Meredith; fencing, Rhoda Maffett and Dorothy Nevin; trio, Peggy Grahame, Dorothy Benson and Emma Paulin; knitting, Dorothy Mae Myers; stamps, Mona Boyd; dance, Phyllis Swan; butterflies, Eileen Kendall; shadow pictures, Marilyn Schowalter; Billie Harris, Eleanor Maxie and Nellie Carter; rocks, Doris Merchant; dance, Marjorie Browning; books, Betty June Verity; dance, Bessie Kirk; puppets, Phyllis Atwood; sewing, Doris Detmers; dance, Nellie Carter, Eileen Greear and Dorothy and Roberta Manley, and a movie of wild flowers, Aneta Rohrig.

Refreshments will be served to the guests in the cafeteria after the program.

Dr. and Mrs. Merton Hill Enroute East

Leaving last night on a Southern Pacific train, Dr. and Mrs. Merton E. Hill are enroute to Raleigh, N. C., where Dr. Hill will speak at the convention of the National Association of University Registrars.

From Raleigh, Dr. and Mrs. Hill will go to Washington, D. C., then on to New York, Boston, Montreal, Chicago and Minneapolis, with Dr. Hill stopping on a business mission at the several universities in and near those cities.

They expect to be away for three weeks.

Soviet Rule Told To Townsend Club By Local Minister

Departing from their custom of presenting a talk on the Townsend plan, members of Upland Townsend club heard an address on Soviet Russia Tuesday evening when they met in regular session in the Draper chapel, First avenue and Ninth street, through the courtesy of J. B. Draper & Co.

The speaker was the Rev. John P. Mandtler, pastor of the Upland Church of the Nazarene.

Stating that he is of Holland Dutch, German and Polish ancestry, although born and reared in Russia, the Rev. Mr. Mandtler opened his address by declaring that he is now an American and a Christian, that he would not exchange this country for any other on earth and that he infinitely prefers the Stars and Stripes to a red flag.

Referring briefly to radical activities in this country, he declared that many of the agitators have never been in Russia, know nothing of actual conditions there and can only spread propaganda sent out from Soviet headquarters.

Both Mr. and Mrs. Mandtler have close relatives living in Russia, his brothers and sisters and her brother and mother, and they are well informed as to the suffering endured by the Christian Russians who refuse to denounce their religion and join the Communist party.

The speaker discussed four phases of Russian life, political, economic, moral and social, and religious, and declared there is no freedom in that country, no free speech, free press or free religion; the only crime is disloyalty to the Soviet, for which one may be killed on sight, and murder is not considered a crime.

A child cannot be taught religion, he stated, and no young person is permitted to enter a place of religious worship until he is 18 years old.

Mr. Mandtler said he does not minimize the great industrial progress made by the Soviet government, but he declares that advancement has been made by and for the few at the tremendous sacrifice and suffering of the masses.

Mr. Mandtler's father, once a prosperous farmer, was shot down because while forced to guard thousands of bushels of wheat for export, he dared to take a small portion to feed his starving grandchildren. Some of the conditions Mr. Mandtler described were nothing short of horrifying.

Other numbers on the program were two excellently presented readings, "A Woman in an Automobile" and "Golf," given by Miss Donna Murkins, talented reader, and a group of singers of Monrovia, the "Harmony Four," their numbers being highly enjoyed.

Mrs. C. E. Allen presided during the meeting and the regular business was transacted.

Announcement was made of a public meeting to be held by the Fontana club Sunday, April 14, at 2 p. m., in the Fontana school house, when a speaker from headquarters will be present. The Upland club members are invited.

SCHOOL AIMS ARE CITED BY LAWSON

Lions Club Speaker Points Out Need for Cooperation of Parents, Churches

Schools provide the "tools" with which students may carve ther niche in life, but the few hours they spend with the teachers are not nearly so important as the influence of the homes and churches, Norman S. Lawson said at the meeting of the Upland Lions club in the Red Hill Country club house yesterday noon.

Mr. Lawson, a member of the club and of the Chaffey board of education, briefly told of the efforts of the officials to provide a well rounded course of instruction, of the value of musical organizations and of the various fundamental courses.

It is largely up to the student as to what use he makes of the knowledge, Mr. Lawson pointed out, purpose of the classes being to give him "tools" of knowledge. He emphasized importance of cooperation between the homes, the churches and the schools.

In 1916, Chaffey junior college was established and the average daily attendance the first year was 44, he said. Peak in the enrollment was 760 students.

Appearing in three vocal solos was George Stinson of the California Highway patrol, located at Santa Ana. He also gave a "safety" talk, urging people to be more thoughtful, to realize that all "stop" signs mean to stop, and to consider the consequences of terrific crashes. In 1934, 45,700 persons were seriously injured, he said.

President Glenn M. Atwood was in charge of the meeting.

Theaters, Programs For Week In Valley Given Review Here

Charlie Chan In Paris, David Copperfield Coming

The seventh screen appearance of Warner Oland as the ininimitable Charlie Chan takes place today and tomorrow at the Upland theatre, where "Charlie Chan in Paris" will make its bow to local audiences.

Warner Oland once more contributes his outstanding talents to the role of Chan. Mary Brian heads the supporting cast and other players are Erik Rhodes and John Miljan.

"Grand Old Girl," the other attraction at the Upland treatre, is a genuine tribute to the teaching profession. It tells in a real and human fashion the sacrifics that are demanded of a teacher who has ideals. May Robson is the star, with Alan Hale and Fred Mac Murray in the supporting cast.

With an all star cast fairly scintillating with "big names," one of the most elaborate screen presentations of recent years opens Sunday at Upland. It is David Copperfield, Charles Dickens' favorite novel, which comes to life with its myriad of interesting characters through the medium of the films.

Will Rogers in "Life Begins at 40" at Fox Pomona

Will Rogers is now showing at the Fox Pomona theatre in "Life Begins at 40," his clowning triumph, with such favorites as Richard Cromwell, George Barbier, Rochelle Hudson, Jane Darwell, Slim Summerville and Sterling Holloway. Rogers in this picture portrays a country newspaper editor who thinks that the best years of life are after 40—and proves he's right in the funniest picture that ever smashed your funnybone. The story is literally jammed with laughs and screamingly funny situations. There will be a midnight preview Saturday night at 11 o'clock in conjunction with the Rogers picture.

"Life Begins at 40" will close its engagement at the Fox next Thursday night.

"Sister Beatrice" Easter Play at Padua Hills

In the scheduling of "Sister Beatrice", by Maurice Maeterlinck, as an Easter holiday attraction, the Padua Players are presenting a production not only timely but of unusual interest. The play, last seen in this country as the tremendous spectacle directed by Rheinhardt, is often called "The Miracle." "Sister Beatrice" will be shown at Padua Hills theatre April 15 to 19 inclusive for one week only, instead of two as is the usual practice, Monday through Friday with a Wednesday matinee, closing on Good Friday, the 19th.

"Twelfth Night" by Shakespeare, current attraction at Padua Hills theatre, will have its final showing on Friday evening, April 12, with general acclaim being given to its vital and beautiful performance.

Two Years Records Broken By "Judgment Day"—

Having already broken every record for 1934 and 1935, "Judgment Day," at the Pasadena Playhouse, marches on its triumphal way, now being in its third week. Elmer Rice's sn.ashing melodrama has grown in public interest like the proverbial snowball.

Spectators get a new realization from this Rice dramatic dynamite what life can be under a dictator. The drama's timeliness in view of the European crisis has no small part in emphasizing its passionate depiction of such a thing. "Judgment Day" has been acclaimed one of the best dozen productions ever seen at the Playhouse.

News of Society and Clubs

By MRS. ETHEL THRASH

Officers Nominated And Program Held By Woman's Club

Mrs. Clyde Whiteley, vice-president of the Upland Woman's club for the current term and recording secretary during the previous year, is scheduled to serve the club as president during the 1935-1936 term, as the result of the report of the club's nominating committee made during the club meeting held Tuesday. The election of officers will be held at the meeting on Tuesday, April 23.

The nominating committee, including Mrs. Frank C. Buffington, chairman, Mrs. Emily J. Austin and Mrs. Anna Widmark, selected their nominees after having circulated "suggestion ballots" among the members and those selected were the majority, and in some instances practically the unanimous choice of the membership.

Besides Mrs. Whiteley the nominees are Mrs. Herbert W. Metz, vice-president; Mrs. Anton Zenz, recording secretary; Mrs. W. A. Getty, corresponding secretary; Mrs. F. H. Manker, treasurer; Mrs. W. F. Goodban, parliamentarian, and Mrs. V. H. Wilson, auditor; Mrs. Emily J. Austin, Mrs. Harry P. Brown, Mrs. L. R. Bradley, Mrs. Roy Karr, Mrs. Arthur Pehl, Mrs. Blanche M. Loch, Mrs. F. A. Dickley, Mrs. J. F. Sawyer, and Mrs. Ray R. Sherwood, directors, with Mrs. Sawyer being designated as house chairman, and Mrs. Sherwood as program chairman.

The story of early California, delightfully told in music, was the entertainment offered the club women during the program that followed the luncheon and business meeting.

The artists presented in the program were Mrs. Howard S. Ware, who appeared as narrator, and her associates, Miss Inez Ware, soprano, and Miss Hilda Liebig, pianist, all from Corona.

The very attractive decorations, arranged by Mrs. F. A. Dickley and Miss Elizabeth Harris, were particularly apropos, lending a charming California atmosphere. Numerous bowls of golden California poppies graced the luncheon tables while the auditorium stage was transformed into a native patio inclosed with bamboo and hedges and in which color was provided by bright hued Mexican rugs, Mexican gourds and strings of colored pods. Mexican pottery held small shrubs and a cleverly constructed cart, a Mexican carreta, held sprays of yellow genista. Much of the Mexican decoration was provided and arranged by Miss Harris.

Mrs. S. M. Jessup, club president, presided during the meeting, the flag salute was led by Mrs. Herbert Metz and Mrs. J. Emery Sargent led in singing the district song, Mrs. Florence Dundas accompanist.

A report of the recent county board meeting held in Fontana was made by Mrs. Clyde Whiteley, who gave an interesting resume of the address delivered by Mrs. E. W. Shirk of Redlands.

The entertainers were presented by Mrs. George S. Foster, program chairman, and the three artistes began their musical saga of the romantic days of California. As narrator of the story, Mrs. Ware was costumed as a dashing Spanish don and the others wore Indian and Mexican costumes, according to the period represented.

Opening the program "Land of Heart's Desire" told of the discovery of the land of sunshine. The time of the native Indians was depicted with a piano number, "Chinigchinich" (Hilda Liebig) played by Miss Liebig; and two songs, "Spring Bird" (Lieurance), and "Invocation to the Sun God" (Troyer), a Zunian lullaby, sung by Miss Inez Ware.

The coming of the padres, Frs. Junipero Serra and Francisco Palou, was told by the narrator and by three musical numbers, "Bells" (Hilda Liebeg), piano, and "Prayer" (Hilda Liebig), vocal, followed by three Gregorian piano numbers, "Veni Creator Spiritus", "Salve Regina" and "Te Deum Laudamus", as played in the first church built in California.

The final period, colonization of Spanish and Mexican California, was presented in the song, "Estrellita" (LaForge), the piano number, "La Fiesta de Madrid" (Thome), a second song, "Clavelitas" (Valverde) and a vocal duet, "Manana" (Dart), sung by Miss Ware and Mrs. Ware.

Guests of club members were Mrs. J. H. Knapp and Mrs. H. C. Stelle of San Bernardino, Mrs. Roy Winkle of Gardena, Mrs. Robert Nesbit of Cucamonga, Mrs. B. W. Belsley, Mrs. B. E. Atwood and Mrs. Clarence Nichol of Claremont, Mrs. A. F. Harrington of Ontario and Mrs. Isabelle Wisely and Mrs. J. E. Beitzell of Upland.

Meeting Enjoyed by Star Auxiliary

Holding an all-day session, members of La Estrella Auxiliary, O. E. S., met Wednesday in the chapter rooms in the I. O. O. F. hall, approximately 25 members and guests attending.

At the noon hour a contributed dish luncheon was held, followed by a social afternoon with the members finding entertainment as they pleased. A number sought diversion at the bridge tables, while others quilted or worked on their embroidery.

Attending the meeting were Mrs. C. E. Allen, Mrs. Sam Barker, Mrs. Roy Creighton, Mrs. Isabel Foster, Mrs. Francis Garner, Mrs. Donald E. Hill, Mrs. Harry Kennedy, Mrs. W. J. Kermott, Mrs. Blanche M. Loch, Mrs. Thos. H. Settle, Mrs. A. C. Smithburn, Mrs. Earl C. Thomas, Mrs. W. H. Tuttle, Mrs. V. H. Wilson, Mrs. Geo. P. Von Stein, Mrs. Anna Widmark, Mrs. Selby, Mrs. Pearl Reich and Mrs. Fred Bancroft. Three men who joined the group at luncheon were V. H. Wilson, W. J. Kermott and E. C. Rosenberger.

Reunion Enjoyed by Alta Loma Group Of Early Days

One of the most delightful affairs occurring in the Cucamonga-Alta Loma community during the spring season was the reunion party given Wednesday at the home of Mrs. W. C. Belden, the three honor guests being charter members of the former Alta Loma Bridge club, one of the earliest social groups organized in that district. Mrs. E. S. Bishop was in charge of arrangements for the party and was assisted by Mrs. H. L. Salisbury.

The honor guests were Mrs. W. H. Converse, 90 years old, and Mrs. W. H. Horst of Long Beach, 87 years, both of whom observed their birthdays Wednesday, and Mrs. Gilbert Dzie of Ontario, who was given a lovely party on her eighty-fifth birthday on Feb. 23.

The one long table arranged for the contributed dish luncheon was an artistic triumph. Tall orange candles in silver candelabra lighted the scene while the table and there were Easter place piece of white and purple iris and at each end was a beautifully decorated birthday cake. One, surrounded with pansies and topped with yellow candles and bearing the numerals "90", was placed before Mrs. Converse, while the one presented to Mrs. Horst was wreathed with pink roses and smilax and topped with pink candles and bore the figures "87". Colored easter eggs were scattered over the table and thre were Easter place favors, while dainty pastel colored handkerchiefs, gifts for the honorees, were tucked into the Easter eggs at their places. Each one very prettily thanked her friends for the several remembrances they received.

Following the luncheon some time was spent in exchanging reminiscences of the days when the club enjoyed many merry parties. Bridge was played for a time with table prizes going to Mrs. E. A. Marshall, Mrs. Franklin Roth, Mrs. Geo. S. Foster, Mrs. B. H. Wilson and Mrs. E. S. Bishop, while Mrs. J. H. Ashmead took the consolation award.

Attending the party were Mrs. W. H. Horst of Long Beach, Mrs. Gilbert Dzie of Ontario and Mrs. W. H. Converse, the honor guests; and Charles F. Thorpe, Mrs. George S. Foster, Mrs. J. H. Ashmead, Mrs. Ben H. Wilson, Mrs. Agnes B. Hawkey; Mrs. C. P. Motsinger of Claremont, Mrs. W. J. Kincaid of Compton, Mrs. Franklin Roth of Ontario, Mrs. Henry G. Klusman, and the three hostesses, Mrs. Belden, Mrs. Bishop and Mrs. Salisbury, all members of the club; and Mrs. W. E. Morse, Mrs. E. A. Marshall, Mrs. Arthur Pehl, Mrs. Charles Wintermute and Mrs. Francs Wagner, non-member guests.

Mrs. Wagner presented lovely sweet pea corsages to the three honor guests and to Mrs. Belden.

Number of Business Women Guests at Chino Meeting

A number of members of the Upland Business and Professional Women's club responded to the invitation from the Chino club and attended the dinner meeting held Tuesday evening in the social hall of the Chino Methodist church, the Chino club being hostess.

Approximately 150 women from Upland, Ontario, Corona, Pomona and Chino were in attendance and had the privilege of hearing an address by Miss Grace Stoermer of Los Angeles, assistant vice-president of the Bank of America and a prominent club woman.

Mrs. Florence Bayz of Riverside, president of the Southern district, California Federation of Business and Professional Women's clubs, was a special guest at the meeting.

Miss Stoermer spoke on "Modern Eve and Her Money." Warning women in business and professional work of the day that is coming when they must give way to younger women, she strongly advocated careful budgeting of one's income and wise investment of one's savings.

Mrs. Mark Hoffman, president of the Chino club, presided during the meeting and a musical program was presented.

Attending from the Upland club were Mrs. Maud M. Linsley, president; Mrs. Ernest Stone, Miss Edith Thomas, Mrs. Ralph Mitchell, Miss Frances Roberds, Miss Isadore Miller, Mrs. Marvin Wangler, Mrs. Iola Davidson, Miss Esther Anderson, Miss Bernice Jacobs, Mrs. William Reed, Mrs. W. J. Scott, Mrs. Rose Burwell and Miss Vivian Arnold.

Benefit Party To Be Given Tuesday by Woman's Club

Planned with the thought of providing the greatest amount of pleasure for the guests, the benefit event being sponsored by the ways and means committee of the Upland Woman's club on Tuesday, April 16, is attracting much attention in club and social circles.

The club house on Second avenue will be the scene of the affair which will begin with a 50c luncheon to be served at 1 o'clock. For the afternoon various diversions are to be provided and the guests may select their own entertainment. Bridge and other card games will claim the attention of many, while others may find ocupation with their embroidery or enjoy visiting with neghbors and other friends.

A number of door prizes will be given and for the card games there will be score prizes and several traveling prizes.

The affair will be open to the public with a cordial invitation being extended to all who enjoy a lovely party.

Reservations may be made with Mrs. J. Emery Sargent, chairman of the sponsoring ways and means committee, or with any member of the committee.

University Women To Meet in Important Session Saturday

Annual business session and a program of more than ordinary interest will feature the meeting Saturday of Pomona Valley branch of the American Association of University Women. The meeting, which will open with a luncheon at 12 noon, will be held in the Men's University club, Sixth street at Amherst, Claremont.

There will be an election of a president and secretary for the ensuing two year term and officers will make their annual reports.

For the program in the afternoon there will be a panel discussion on "Adult Education in the Field of International Relations," conducted by Mrs. A. A. Young of Pomona, with Mrs. W. F. Kitchel of Upland, Miss Nina Rice of Claremont and Mrs. R. N. Reedy of San Dimas participating in the discussion.

Special interest attaches to this subject since it is one of the topics to be featured on the program of the biennial national convention to be held in Los Angeles in June.

Book Lovers Gather For Dinner and Program

Meeting for dinner at the Upland Inn Tuesday evening, members of the Book Lovers club later motored down to the home of Miss Lillian Graves in Ontario and enjoyed an interesting session.

In place of giving the usual book review, Miss Graves entertained her guests with an account of her trip to Palo Alto where, as regional director for Girl Scouts, she attended a recent conference held at the home of Mrs. Herbert Hoover.

Recently elected officers began their terms Tuesday evening, with the vice-president, Mrs. Ashby Powell, presiding in the absence of the president, Miss Bertha Watson; the secretary is Mrs. A. E. MacLaren.

Attending the meeting were Mrs. Ashby Powell, Mrs. A. E. MacLaren, Miss Lois LeBaron Avery, Miss Corrinne Hedges, Mrs. F. E. O'Brien, Mrs. Winnie McCullough, Mrs. Merton E. Hill, Mrs. Ernest W. Fischer, Miss Lillian Graves, and Miss Emma Ordnung, guest of Miss Avery.

Victor Jory Will Be in Leading Role Again

Many in the Upland district will again see Victor Jory, shown above, in the presentation of the Ramona pageant at Hemet. Mr. Jory has the leading role of Alesandro for his sixth consecutive season. The play will be given Saturday and Sunday afternoons, April 27 and 28, and May 4 and 5 and 11 and 12, by a cast of more than 200.

Miss Ann Roos Tells Of Girls Work at Annual Tea

The second annual tea sponsored by the council of the Chaffey Community Girls Organizations as a courtesy for those who contributed to the support of the boys and girls work in the present financial campaign, was held Thursday afternoon in the Upland Woman's club house and was a delightful social event.

The club house was charmingly decked with garden flowers, with yellow as the predominating color note. The same decorative motif was used for the handsomely appointed tea table where delectable confections were served with the tea, Mrs. Charles V. Barr, Mrs. H. S. Bailey, Mrs. Don E. Palmer and Mrs. Glenn D. Smith presiding over the teacups.

One of the very delightful features of the afternoon was the program that included a talk by the charmingly vivacious Miss Ann Roos of New York, and a group of songs by Roger Moore, Upland's young baritone.

Mr. Moore was accompanied by his aunt, Mrs. Earl H. Johnson, and he sang "Moon on the Water" (Cadnum), "Without Song" (Youmans), and as an encore "Sylvia" (Ole Speaks).

Speaking briefly, Mrs. Kenneth I. Hanson, president of the hostess organization, told of the girls work being done in the Chaffey community and then presented Miss Roos, who is from national Girl Scout headquarters in New York.

Miss Roos spoke with an enthusiasm that was contagious and she told of Girl Scouts and their work in a manner that thrilled her audience. She emphasized that one of the special missions of Girl Scouting is to succesfully meet the needs of young girls around the age of 12 years when the instincts for organization and group action begin to develop.

She pointed out that Girl Scouting provides a permanent organization whose nation-wide scope lends importance to the work and aids in sustaining interest during the girl's formative years.

In addition to the large attendance from the West End, many visitors were present from the Claremont council.

The committee arranging for the very successful affair included Mrs. J. F. Grass, Jr., Mrs. Welles T. Ross, Mrs. Robert H. Henderson, Mrs. E. C. Rosenberger, and Mrs. B. G. Waldapfel.

Bridge Luncheon Is Given as Courtesy For Mrs. Perhamus

As a courtesy for Mrs. Frank Perhamus of Caledonia, New York, mother of Mrs. Harlow S. Wilson, a number of mutual friends were delightfully entertained at luncheon Wednesday by Mrs. Earl M. Hill at her home, 123 Bonita court, Ontario.

A 1 o'clock luncheon was served and spring blossoms adorned the smartly appointed table and the rooms.

Contract bridge provided diversion for the afternoon.

Mrs. Hill's guests were Mrs. Perhamus, Mrs. Harlow S. Wilson, Mrs. LeRoy A. Weller, Mrs. John D. Howe, Mrs. James Barnett, Mrs. John T. Maffett, Mrs. Frank McKenna and Mrs. Leonard B. Fowler.

Bride-Elect Honored At Bridge Shower

Miss Lucille Parris of Ontario, fiancee of Wayne Wheatley, was the honor guest at a delightful bridge party and bridal shower given last night at the home of Mrs. Warren Wheateley, 443 Euclid avenue, Upland, the hostesses being Mrs. Guy Wheatley and Mrs. James Kermott.

Part of the evening was spent in playing bridge and rummy, with the bridge score prizes going to Miss Marie Hammond, first, and Mrs. Harold Naisbitt, consolation, and the high prize in the rummy game being won by Mrs. Harry Addison.

Miss Parris, whose wedding is to be an event of the near future, was presented with many lovely gifts.

Concluding the pleasant evening the hostesses served refreshments.

Attending the party were Miss Parris, Mrs. Ross Parris, Miss Genevieve Sheehan, Miss Grace Tomlison, Mrs. Gordon Wheatley, Mrs. Harry Addison, Mrs. Robert Harvel Mrs. Martin Smith, Mrs. Harold Naisbitt, Misses Louise and Marie Hammond, Miss Virginia Lee, Miss Wava Anderson, Miss Dessie Slate, Miss Kitty Wheatley, Mrs. G. G. Wheatley, Mrs. Clarence Long and the three hostesses, Mrs. Guy Wheatley, Mrs. James Kermott and Mrs. Warren Wheatley.

Young People Reveal Marriage in Yuma

News of interest to many friends of Miss Marion Lewis and J. K. Stephenson is the announcement of their marriage, which occurred Wednesday in Yuma, Ariz., the Rev. Mr. Jackson of the Yuma Baptist church, officiating.

They were accompanied to Yuma by Mr. and Mrs. Theodore Davis of Fifth avenue.

Mrs. Stephenson is the daughter of Mr. and Mrs. G. W. Lewis of East Ninth street, and is an employe of the Home cafe. Mr. Stephenson, whose parents live in Tennessee, is employed on the Davis Bros. ranch. They are establishing their home at 144 East F street.

District Deputy Is Special Guest of Star Chapter

Official inspection was held Monday evening during the regular meeting of Upland chapter, Order of the Eastern Star, held in the chapter rooms in the I. O. O. F. building when Mrs. Bela Lynde of San Bernardino, deputy grand matron of the Fifty-eighth district was a special guest.

The meeting was preceded by a contributed dish dinner that was served at attractively decorated tables, Mrs. V. H. Wilson being in charge. A profusion of wild flowers and blossoms from private gardens were used both in the dining room and in the chapter room, where the floral arrangement was especially beautiful. Mrs. Isabelle Wisely, Mrs. Chas. O. Deverts and V. H. Wilson were in charge of the chapter room.

With Miss Mary Von Stein, worthy matron, presiding, the complete work of the chapter was demonstrated in excellent manner, winning praise from the district official.

There was a large attendance of the chapter members and many Star guests were present, a group of 17 coming from San Bernardino with Mrs. Lynde and others attending from the Colton and Ontario chapters.

THIS interesting little book should be in the hands of everyone who keeps house.

It is an amazing story of *tests* to which Rollator Refrigerators have been subjected. In this book you will read of the famous "Marathon" Rollator Compressor which has been running constantly for the equivalent of 33 years in your home. You read of ice being frozen in the blazing sun of midsummer afternoon. You read of recording instruments which *prove* that Norge protects your food for less than it costs you to light your kitchen. You read of many other scientific tests.

The Norge dealer near you will gladly give you a copy of this book entitled, "Let Norge Speak For Itself." Ask him for it. See the beautiful Rollator Refrigerators on display and learn how small a down payment will place one in *your* home.

ST. LUKE'S CHOIR TO SING TONIGHT

Methodist Pipe Organ Will Be Demonstrated Tonight at Public Meeting

The new Hall organ just installed in the Methodist church will be used publicly for the first time tonight, when a special musical service will be given by St. Luke's choristers, the choir of 50 boys and men from St. Luke's Episcopal church in Long Beach, under the direction of William Ripley Dorr. Mr. Dorr, in addition to his musical work with this church choir, has for many years been engaged in the organ business, and as the Southern California representative of the Hall Organ Co. of West Haven, Conn., designed this organ and planned its installation.

This program is not an organ recital, as the formal dedicatory recital will be given on Sunday evening by Mr. Thomas A. Pollock of Ontario. This is a rather demonstration of the instrument in its capacity of a church accompaniment instrument. Mr. Dorr will accompany the choristers in several anthems, and will also give an explanation and a demonstration of all of the various stops and special effects of which the organ is capable.

St. Luke's choristers will sing several fine unaccompanied numbers, and several boy soloists will be heard, both with the choir and in solo numbers.

The public is cordially invited to attend this event.

Correctness Assured In Social Stationery

It is a satisfying assurance to know that one's formal stationery is "Socially Correct."

Wedding invitations, marriage announcements, party invitations, betrothals, visiting cards, birth announcements . . . each of these is governed by certain well defined rules of accepted usage.

These forms may not be used often, and may not require any great quantity of them at any time. But, people do wish to be very sure that the Social Forms they do use are socially correct.

"Art Point" forms are sold nationally. The Upland News is glad to represent this authentic source of quality and style. Deliveries are very prompt and prices are surprisingly reasonable.

HOLY CITY TO BE REPEATED SUNDAY

Oratorio Society Choir To Be Presented in Ontario Baptist Church

Responding to popular demand, the Oratorio society of the Mennonite church, the Rev. Lester Hostetler, conductor, will appear in the First Baptist church in Ontario Sunday afternoon when the choir of approximately 80 voices will repeat the beautiful oratorio, "The Holy City," by A. R. Gaul.

The oratoria was sung to capacity audiences in the Upland Mennonite church Sunday afternoon and evening, and many persons in Ontario and throughout the West End who were unable to attend at that time have requested a repetition of the presentation. In response to that demand the Rev. Hirschel R. Griffin, pastor of the Baptist church, invited the singers to repeat the oratorio in his church.

The Oratorio society, organized by the Mennonite choir, includes also many other singers of the West End, several church choirs being represented.

The singing of the Oratorio society under the direction of the Rev. Mr. Hostetler, has attracted wide attention and a large audience is expected to hear the program Sunday afternoon. The public is cordially invited to attend.

ONTARIO CHRISTIAN
Shirley R. Shaw, Minister

The great cantata of Christ's passion, "The Seven Last Words," will be sung by the combined choirs of the Pomona Presbyterian and Ontario Christian churches at the vesper hour of 5 o'clock Sunday at this church.

Charles Ross, who is director of both choirs, will conduct the cantata. Mrs. Shirley R. Shaw, Hollace Shaw, Charles Ross and Andrew Dean will be the soloists. Miss Corrine Adams and Miss Margrette Page will be the accompanists.

"The Entry of Christ Into Our Lives" will be the sermon theme for the hour of morning worship, finding its inspiration in the incident of Palm Sunday in the life of Jesus, his triumphal entry into Jerusalem.

Christian Endeavor societies will follow the cantata in the evening at 6:30. Responding to their request the minister will lead the young people; Joseph Mazzola will lead the high school group, and Shirley Ann Shaw the junior high scholars.

One of the most solemn hours of the year for this church is the silent worship on Thursday evening of Passion Week, with observance of holy communion.

Meeting Is Held On Monday Night By Queen Esthers

The Misses Dorothy and Belle Davis were hostesses to members of the Queen Esther society of the Methodist church Monday evening when they met in regular session at the Davis home on West Ninth street.

The meeting began with a contributed dish dinner, which was followed by the business meeting and program. Belle Davis, the president, conducted the meeting and Miss Emma Paulin reviewed a chapter in the study book, "Gold Mountain."

Miss Ruth Crane, advisor for the group, was present to assist the girls with their meeting and the others attending were the Misses Emma Paulin, Margaret Fenton, Bessie Kirk, Donna Murkins, Billie Harris, Alice Mae Clewett, Beatrice Scott and Dorothy and Belle Davis.

Will Hold Lenten Vesper Service at Church on Sunday

Lenten vesper service of organ and choral numbers, arranged by Mrs. Winifred Moore Johnson, organist, and Cartwright Hunter, choir director, will be presented in the Presbyterian church at 4:30 Sunday afternoon, April 14.

The guest soloist will be Miss Margaret Johnston, well known violinist, and the choir will sing a number of selections.

With a thought of Easter in mind, Mrs. Johnson has aimed to make the program one of beauty and inspiration, suitable for a quiet hour of spiritual meditation and gratitude.

The program will include:

Organ prelude, "Dream Lake" (S. Earle Blakeslee), by Winifred Johnson.

Invocation by Dr. Stone.

Anthem, "O Gladsome Light" (Sullivan).

Anthem, "Shadows of Night" (Mathews).

Organ, "Cathedral Prelude and Fugue" (Bach).

Anthem, "Fierce Raged the Tempest," (Candlyn).

Solo, "Sheep and Lambs" (Homer), by Margie Lee Hunter.

Anthem, "My Redeemer and My Lord" (Buck).

Violin solo, "Legende" (Wieniawski), by Margaret Johnston.

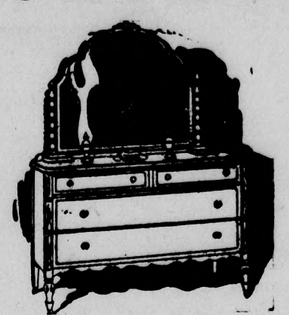

Anthem, "The King's Welcome" (Whitehead).

Solo, "The Resurrection" (Shelly), by Cartwright Hunter.

Chorale, "Now Let Every Tongue Adore Thee" (Bach).

Benediction, Dresden Amen.

Check The Assets of An Exchange Membership

THE many activities of the California Fruit Growers Exchange are conducted for one purpose only: to assure its member-growers of maximum net returns.

Starting with the few services essential to the bare operation of a marketing organization, the Exchange has steadily added others as the need has arisen.

Most Exchange services add to net returns by increasing the price received for its members' crops. In other cases the same result is obtained by lowering the costs of production and marketing.

The Exchange takes no profit on any of these services. Cost of *all* Exchange services compares favorably with the marketing charge alone of any other agency.

Check, here, this brief list of the assets of Exchange membership. The manager of any Exchange association or district exchange will be glad to discuss them fully with you.

1	SALES ORGANIZATION. 57 offices. Every salesman an expert working solely for the Sunkist growers.
2	MARKET NEWS SERVICE. Teletype and telegraph give continuous price-and-shipment facts.
3	LARGE VOLUME permits taking advantage of market situations to members' benefit; also flexibility under prorate programs.
4	REPUTATION for quality fruit and fair dealing holds trade preference.
5	ADVERTISING increases this preference and expands the market year by year.
6	DEALER SERVICE gives Sunkist personal contacts with the best retail outlets.
7	NEW OUTLETS built here and abroad. Juice market developed with aid of extractors.
8	BY-PRODUCTS PLANTS convert unsalable and surplus fruit into added returns instead of dumping them at added costs.
9	SUPPLY COMPANY assembles needed materials on time, often at considerable savings.
10	FIELD DEPARTMENT guards standards of grade and pack and aids in all fruit handling problems.
11	PEST CONTROL BUREAU assists growers at all times, reports on latest methods.
12	TRAFFIC DEPARTMENT collects claims without charge, acts in rate adjustment cases.
13	LEGAL DEPARTMENT protects members' interests in legislative and tariff matters.
14	GROUP INSURANCE cuts premium costs on fire and workmen's compensation policies.
15	GROWER OWNERSHIP means that every dollar above costs is returned to growers.

Legal Notices

ORDINANCE NO. 281

An Ordinance Approving the Annexation to the City of Upland in the State of California of Certain Contiguous and Inhabited Territory.

The City Council of the City of Upland do ordain as follows:

Section One. That a certain Petition in writing was heretofore presented to and filed with the City Council of the City of Upland, in the County of San Bernardino and State of California, the same having been delivered unto said City Council by the Board of Supervisors of said San Bernardino County, together with the formal approval of said Board of Supervisors endorsed thereon under date of December 28, 1934, and such approval thereto having been certified to by Harry L. Allison as Clerk of said Board of Supervisors; and which Petition contained a description of certain territory hereinafter particularly described, proposing and requesting that the same be annexed to the City of Upland and that it be incorporated in and made a part of said municipality. That the said Petition recites that the signers thereof were acting under and pursuant to the provisions of Chapter 596 of the Laws of the State of California as adopted by the Legislature in the year 1929, and was addressed to the Board of Supervisors of the County of San Bernardino, California, wherein lies said City of Upland and the territory proposed to be annexed thereto, and to the Legislative Bodies of the municipal corporations affected thereby, namely, the City of Upland and the City of Ontario. That said Petition was signed by 135 qualified electors of the said territory thus proposed to be annexed, and all as shown by the Certificate of said County Clerk, and which Certificate was duly attached to said Petition as a part thereof, and the same reciting and setting forth that the said County Clerk had examined the affidavits of registration of the district described in the said Petition and determined therefrom that the number of qualified electors who signed said Petition was and is in excess of one-fourth of the number of qualified electors therein as shown by the latest registration of voters of the said County of San Bernardino residing within said described district; and in this regard the City Council of the City of Upland further finds and determines that the total number of qualified electors residing within said described district at such time was 275 electors, and that accordingly such Petition was signed by more than one-fourth of the total number of such qualified electors therein.

Section Two. That said Petition having been thus duly delivered and presented unto the said City Council of said City of Upland, and it appearing therefrom that the territory proposed to be annexed thereto was a part of the said City of Ontario, thereupon in accordance with the provisions of said Chapter 596 of the Laws of 1929, the City Council of the City of Upland requested the City Council of the City of Ontario to call a special election in such territory proposed to be annexed, and submit to the electors residing therein the question whether such territory shall be so annexed to, incorporated in, and made a part of the said City of Upland; and thereupon transmitted certified copies of such Petition and the endorsements and approval and certificates attached thereon unto the Legislative Body of the City of Ontario. That thereafter and on or about the 4th day of February, 1935, the City Council of the said City of Ontario, in a regular meeting thereof and after due consideration of the matter, formally expressed its refusal to call such special election, and publicly proclaimed and announced such refusal.

Section Three. That thereafter the City Council of the said City of Upland formally adopted an Ordinance, the same being numbered 279, and which was finally adopted at a regular meeting thereof held on the 13th day of February, 1935, calling a special election to be held within the confines of the hereinafter described territory, situate within the said City of Ontario, for the purpose of submitting to the electors residing in such territory proposed by such Petition to be annexed to the City of Upland, the question whether such territory shall be so annexed to, incorporated in and made a part of said City of Upland; and therein provided that such special election shall be held, and thereby was called for Thursday, the 21st day of March, 1935. That such Ordinance calling said special election also provided for and established all of such described territory into one voting precinct, and provided a voting place at which the polls would be open, the same being the voting place commonly used in such territory, and otherwise provided in detail for such special election, and named and appointed the officers of such election, namely, two Judges thereof, and one Inspector. That in accordance with the provisions of said Chapter 596 of the Statutes of California as adopted in the year 1929, the City Council of the City of Upland in said Ordinance calling said special election, provided that for all purposes pertaining thereto, said territory seeking annexation was thereby for convenience designated as "NORTH ONTARIO," and provided that such territory should generally be known in all of these proceedings and at such election by that designation; and that the territory thus proposed to be so annexed to the City of Upland and as the same is described in such original Petition, and in which such special election was called, and being the territory described and referred to and dealt with in this entire proceeding, and by such qualified electors therein voted to be annexed to said City of Upland, is particularly described as follows, to-wit:

All that territory situate within the City of Ontario, in the County of San Bernardino and State of California, particularly described as follows:

Beginning at the intersection of the present east city limits of Ontario with the south city limits of Upland; thence running westerly along the south city limits of Upland to the intersection of the south city limits of Upland with the present west city limits of Ontario; thence south along the west city limits of Ontario to a point 660 feet south of the center line of Seventh Street in Ontario; thence east along a line parallel to and 660 feet south of the center line of Seventh Street to the east city limits of Ontario; thence north to the point of beginning.

Section Four. That in accordance with the provisions of said Ordinance adopted by the City Council of said City of Upland providing for and calling such special election, the City Clerk of Upland thereupon caused notice to be given of such special election by the publication of a notice thereof in two newspapers of general circulation printed and published outside of the said City of Upland but within said San Bernardino County, at least once a week for a period of four successive weeks next preceding the date of such election, such newspapers in which said notice was published being the San Bernardino Sun and the Ontario Daily Report. In this connection, the City Council of the City of Upland hereby finds and determines, and so ordains, that such notice distinctly stated the date of such election and the proposition to be submitted, namely, that it is proposed to annex to, incorporate in and make a part of such City of Upland the said territory sought to be annexed, and specifically described the boundaries thereof; and that such territory was designated in said notice as "NORTH ONTARIO," as a means of convenient identification, and in such notice the electors in said territory were directed to vote upon such question in the manner in said notice indicated and required. That said notice was published in said San Bernardino Sun on the following dates, to-wit: February 15, 22, March 1, 8, 15, 1935; and, similarly, was published in said Ontario Daily Report on the following dates, to-wit: February 14, 21, 28, March 7, 14, 1935; and that due proof of such publications in said respective newspapers has been made by the respective printer or publisher thereof, and filed in this proceeding and in the custody of the City Clerk of said City of Upland.

Section Five. That in accordance with said Ordinance calling and providing for such special election, the same provided that the polls should be open between the hours of 6:00 a. m. and 7:00 p. m. of said 21st day of March, 1935; and that on said date such special election was duly held in the polling place provided therefor, and that such Judges and Inspector thus appointed for said election after having counted all of the ballots cast, at the close thereof at 7:00 p. m. on said date did certify and seal such ballots and tally sheets of the ballots cast, and delivered the ballots, tally sheets and returns to and deposited the same with the Clerk of the said City of Upland, and announced and declared that having counted all of said ballots, a total of 219 votes or ballots had been cast, and that of these, 136 ballots were marked in favor of such annexation, and 83 ballots were marked in objection thereto.

Section Six. That on this 4th day of April, 1935, the same being the time of the first regular meeting of said City Council of the City of Upland after such special election on March 21st last, and in accordance with the provisions of said Chapter 596 of the Laws adopted by the Legislature of the State of California during its 48th Session, the Legislative Body of said City of Upland, namely, its City Council, met and proceeded to canvass such election returns, and did complete such canvass at such time and place; and found and determined that at said election a total of 219 votes or ballots were cast, and upon each of the said ballots there was printed the words "Shall North Ontario be annexed to the City of Upland—YES" and "Shall North Ontario be annexed to the City of Upland—NO"; and after each of said propositions was a voting square to the right of and opposite each of the same. That of such 219 ballots cast, a total of 136 thereof were stamped in the voting square after the proposition "Shall North Ontario be annexed to the City of Upland—YES," so that such number of 136 electors voted in favor of such annexation; and that on the negative proposition "Shall North Ontario be annexed to the City of Upland—NO," 83 of such ballots were stamped in the voting square opposite to the same, so that 83 of such ballots were voted against such annexation. That each and all of said ballots were properly stamped with a cross, and each appeared to be and were regular in all respects. That the returns of said election were duly and regularly canvassed, at the time and in the manner prescribed by general law, and that thereupon the record thereof was entered in the Minutes of the Meeting of said City Council of said City; and that a majority of all votes cast at said election in said outside territory, namely, in the territory designated as "NORTH ONTARIO," on the question of such annexation, were in favor of the proposed annexation.

Section Seven. That the City Clerk of said City of Upland be and hereby is instructed and directed to prepare a record of this entire proceeding, commencing with such original petition containing the endorsement of the Board of Supervisors and the Certificate of the County Clerk; and also containing certified copies of any and all Resolutions or prior Ordinances adopted by the City Council of Upland in relation to the proceeding; and also containing a record of such special election, of the total number of votes cast, and of those cast in favor of the proposition and of those against, and a record of the canvass thereof made by such Legislative Body. That thereupon such documents and papers shall be affixed together, as far as may reasonably be done, and thereafter kept and retained in the custody of the City Clerk of Upland as a permanent record of the entire proceeding. In this connection, the City Council of the City of Upland further ordains, that the said original Petition was signed by more than one-fourth of all of the qualified electors of the said district, and that such Petition was duly approved and endorsed as approved by the Board of Supervisors of said County after full hearing thereon; and that thereafter the City Council of Upland duly called such special election, and that the Notices thereof as published in said newspapers were published for the full time and in the manner required by the law pertaining to this subject matter, and the said City Council so finds and determines. That included in said record required to be made and kept by the City Clerk shall be included such proof of said published notices, together with copies of said notices as published. The City Council further ordains that said territory designated as "NORTH ONTARIO" lies immediately contiguous to the City of Upland, and that the same was and is inhabited territory.

Section Eight. NOW THEREFORE, BE IT FURTHER ORDAINED by the City Council of the City of Upland that such annexation of the territory so described and which for convenience in these proceedings and in such special election was designated as "NORTH ONTARIO" is hereby CONFIRMED and ACCEPTED and APPROVED in all respects; and that accordingly such territory as herein designated and described, shall henceforth be deemed and taken as a part of said City of Upland, and that the city limit of said municipality shall be deemed and taken as having been extended to include the same, and henceforth that such annexed territory shall be for all purposes a part of said City of Upland; but in respect of taxation and bonded indebtedness always subject to the provisions of Sections 5, 6 and 7 of said Chapter 596 of the Laws of the State of California as adopted in the year 1929.

Section Nine. That in all things and matters this Ordinance shall be deemed and taken as full acceptance and approval of such annexation.

Section Ten. The City Clerk shall certify to the passage of this Ordinance and cause the same to be published once in The Upland News, a newspaper of general circulation, published in said City of Upland, California.

I HEREBY CERTIFY that the foreging Ordinance was adopted by the City Council of the City of Upland at a regular adjourned meeting held on the 11th day of April, 1935, by the following vote, to-wit:

Ayes—McQuillen, Draper, Cameron, Johnson.
Noes—None.
Absent—Andreas.

E. C. MEHL,
City Clerk.

Approved, April 11th, 1 35.
P. H. McQUILLEN,
Mayor.

Chevrolet Trucks give maximum dependability, as well as maximum economy, because they're powered by VALVE-IN-HEAD SIX-CYLINDER ENGINES

CHEVROLET The most important consideration of all, in buying and operating trucks, is *economy*. Economy of *first cost* and *operating cost*. And the most economical trucks on the market today are—*Chevrolet Trucks*. They sell at the world's lowest prices. They give maximum operating economy, too, because they're powered by valve-in-head six-cylinder engines. And they will keep on saving you money, day after day and year after year, because Chevrolet builds so much extra quality and rugged reliability into them that their service is as carefree as their prices and operating costs are low. You get top economy when you buy Chevrolet Trucks, and that's exactly what you want in a truck—particularly today. Phone or visit your nearest Chevrolet dealer and get the right truck for your job at the *world's lowest prices*.

OFFICERS SEATED AT P.-T. A. SESSION

Fannie D. Noe Association To Sponsor New Ways and Means Project

Installation of officers and a program on safety featured the meeting Wednesday of the Fannie D. Noe Parent-Teacher association.

Using the impressive candle-lighting ceremony, Mrs. Hjalmar Anderson, president of Ontario council, P.-T. A., installed the new officers, including Mrs. George Cassell, president; Mrs. Owen E. Atwood, vice-president; Mrs. Irvin A. Engle, secretary; Mrs. Frank K. Nichols, treasurer, and Mrs. T. George Cunning, historian.

With Mrs. Chas. V. Benson presiding a business session was held and it was decided to adopt a new way of raising P.-T. A. funds, sponsoring a contest among the children in saving labels from certain food products for which the P.-T. A. will receive one cent each. It also was voted to send the president to the state convention to be held in San Diego.

Mrs. Benson was given a past president's pin, Mrs. Anderson making the presentation.

The annual treasurer's report was made by Mrs. H. C. Naylor, and Mrs. Val Cherbak, magazine chairman, made her report.

Announcement was made of the pre-school clinic to be held on April 23-24, with Mrs. Frances Garner in charge. All mothers of children who will enter school for the first time next fall, are urged to bring them to the clinic.

For the program Alice Rose Wilson, chairman of the student safety committee, very ably described the rules and the safety work of the students. Mrs. H. C. Naylor spoke of hazards in the home and how to avoid many accidents, and Mrs. Garner told of health safety, or prevention work done in the schools, stating there had been no diphtheria in the school for five years. She also explained the tuberculin test.

Mrs. W. R. Farmer invited all mothers whose children will enter junior high school next fall, to attend the Junior High P.-T. A. meeting on May 1, and Mrs. Owen E. Atwood thanked all mothers who assisted with the costumes for the plays.

In asuming office, Mrs. Cassell made a short talk, outlining plans for next year's work and asking the cooperation of all parents.

Miss Mamie Porter's room won the attendance flag for the fourth consecutive time.

Fannie Noe Pupils Present Two Plays To Large Audience

An audience that filled the Fannie D. Noe school auditorium to capacity Tuesday evening was entertained with a colorful and highly successful presentation of two plays by the pupils of the school from the kindergarten to the Fifth grade.

The small tots of the kindergarten and the pupils of the third, fourth and fifth grades appeared in the "Magic Piper," a clever play adapted from the famous story of the "Pied Piper of Hamlin," and their performance was excellent. Miss Ruth Pittenger directed the upper grades, while Miss Ella Schmidt was in immediate charge of the kindergartners, who provided the "magic music."

No less successful was the play, "Mr. Grasshopper and the Ant," given by the first and second grades. The story was adapted by Mrs. Ella Kouts, who also wrote several of the songs. These small children had considerable memory work to do and they carried their parts with remarkable precision.

The children were cleverly costumed, the green grasshopper, the big red ants, the mice and the other allegoric characters in the two plays adding color to the scenes.

Miss Lysle Merchant did much of the rehearsing for the musical parts and every teacher in the school assisted with both plays in many ways, including the making of the costumes, in which they had the aid of many mothers of the pupils.

Five Jaysee Choirs Unite for Program

Five junior college choirs will combine under the direction of John Smallman of Los Angeles to appear before the spring meeting of the southern California junior college association meeting held at the University of Southern California on April 27.

Frederick Woellner, assistant professor of education at the University of California at Los Angeles, will be the principal speaker at the general assembly to which the faculties of all of the Southern California junior colleges have been invited. O. Scott Thompson of Compton junior college, president of the association, is in charge.

ALTA LOMA-CUCAMONGA

Mr. and Mrs. M. I. McCarty, 154 South Archibald avenue, enjoyed a visit Sunday from their son-in-law and daughter, Mr. and Mrs. Frederick McCarty of Fullerton, and Mrs. Richard Gilbertson of Los Angeles.

Mrs. Kenneth Deardorff has returned home from the LaVerne maternity hospital, accompanied by her fine new son, Gary Richard. Mrs. Deardorff's sister, Mrs. Jay Myers of Los Alamitos, is staying with her for a week or more.

Miss Wren Rucker, a teacher in the Cucamonga Central school, and her mother, Mrs. Alice Rucker, will spend part of the Easter vacation visiting in Whittier. Miss Mary McGilvra, who teaches in the Sierra Vista school in Upland, will, during the vacation be a guest of her cousin, Miss Jenson, Los Angeles county nurse, at Santa Monica.

Guests Wednesday night of Mr. and Mrs. W. B. Harvey, 254 West San Bernardino avenue, were Mr. and Mrs. Milton Lewis, friends from Washington, D. C. Mr. and Mrs. Lewis have spent the winter in California and the Hawaiian Islands, having just returned from Honolulu. After visiting the Harveys they continued on to San Diego and expect later to go to Canada for the summer.

Dr. and Mrs. C. P. Shaffer, 253 West San Bernardino avenue, had the pleasure of entertaining at dinner Tuesday evening for Mr. and Mrs. H. T. Blake of Alta Loma and their guests, Mr. and Mrs. A. H. Eichelberger of Brown county, Kan. Mr. Eichelberger is a cousin of Mrs. Shaffer and Mrs. Eichelberger is a sister of Mrs. Blake. They now are in Phoenix, Ariz., visiting with their son and daughter.

An entertainment will be given tonight by pupils of the South Cucamonga school. The program will feature a Boy Scout play, including the Scout ceremonial and a circus.

ETIWANDA

ETIWANDA, April 12.—Mrs. Ernest Mueller, Mrs. Fred Koch, Mrs. Chas. Donnelly and Mrs. Olive Orendorff attended the Tuesday sessions of the annual meeting of the Southern California Federation of Congregational Women at the First Congregational church in Santa Ana, while the Wednesday sessions were attended by Mrs. John Scott, Mrs. Thomas Donnelly and Mrs. Elmer Woods.

Mrs. Mary W. Kemp accompanied her daughter, Mrs. Andrew Ingvaldsen of Running Springs Park, to Los Angeles Friday for a visit with their daughter and sister, Mrs. Henry Jacques and family, and with Mrs. Jacques and Mrs. Barker motored to Bakersfield Saturday.

Mr. and Mrs. H. H. Dickins, Mrs. Blanche Martin, Marjorie and Dick motored to the Mojave desert, visiting the Adelanto and Victorville localities.

Mrs. Thomas Donnelly was a guest at a luncheon of magazine chairmen of the P.-T. A. held at the home of Mrs. E. W. Park in Ontario, magazine chairman for the Fifth district. Mrs. Donnelly is magazine chairman for Ontario council, as well as holding the same office in the Etiwanda P.-T. A.

Mrs. Wm. McClean attended a luncheon of county library branch custodians in San Bernardino yesterday.

Mrs. Walter Barnes, Mr. and Mrs. A. A. Werner motored to Palm canyon and Cathedral City Wednesday, visiting Ethel Bilyeu and Annie Mae Layton at the latter place.

LAKE ARROWHEAD IS SUICIDE SCENE

Glendale Man Takes Life After Leaving Note and Money For Mother

William K. King, 36, Glendale, took to the waters of Lake Arrowhead yesterday to end his life.

For weeks, apparently, he had planned his end, due to continued ill health, according to officers who investigated. He left the home of his mother in Glendale on Monday in a rented car.

His clothing was found yesterday by deputy sheriffs at the shore of the lake. In one pocket of his trousers was a Bible and a note from his mother asking him to read the Twenty-Third Psalm every day for her.

Near his clothes and between two rocks was an envelope with a note to "My Darling Mother." In the envelope was $20.

College Heights

COLLEGE HEIGHTS, April 12.—Miss Evelyn Foot spent Saturday in Los Angeles with her home arts teacher, Mrs. Franks of Chaffey high school, and her daughter, Miss Julia Franks.

Mrs. F. S. Wilby is remaining here for the week with her sons, Frank and Melvin, who are attending Pomona college.

Callers at the Thomas Hebert home recently were Mr. and Mrs. Foushay of Holt avenue, Pomona.

Mr. and Mrs. M. H. Reed of Pomona were Sunday dinner guests at the home of Mr. and Mrs. Paul Fernbach.

Mrs. J. O. Reynolds and her friend, Mrs. Doderer of Pomona, were spending a day together recently in Hollywood.

Mr. and Mrs. Ben Pounds of Ventura were visitors of Mr. and Mrs. Paul Fernbach one evening this week. Mr. Pounds was one of the Ninth Engineers Mounted in camp at Fort Bliss where Mr. Fernbach was also stationed. They had not met since war time days and the evening was spent talking over old times.

Mrs. Otto Pautz spent yesterday with her daughter in Pasadena.

Luncheon guests yesterday of Mrs. Paul Fernbach were Mrs. Phil Collins of Pomona and Mrs. Vernon Paine.
